# Platinum PBR Panel

EXPOSED-FASTENER PANEL SYSTEM

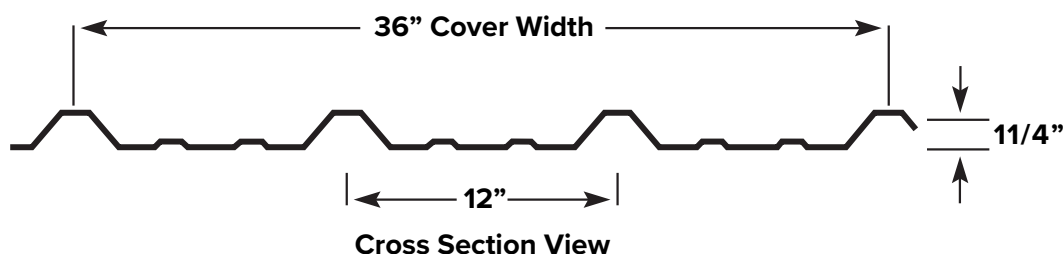

Warranty Included  
with Purchase

**Platinum Metals | PBR Panel** is engineered for superior performance in commercial settings. This robust panel system not only delivers an aesthetically pleasing board and batten style but is also designed to withstand the rigors of commercial environments. Its enhanced structural integrity makes it ideal for areas with heavier snow loads, ensuring durability and long-term resilience.

**Exposed  
Fastener**  
Panel System

## Panel Profile

Also offered in  
Reverse Profile

## Features

- Designed for both **roofing** and **siding** applications
- Thicker steel reduces the appearance of "oil canning" and purlin see-through
