- Optional**
 - 15 Year Weather Tight Warranty available on approved applications
 - 20 Year Weather Tight Warranty available on approved applications

Platinum Ultra Pro

THROUGH-FASTENED ROOFING SYSTEM

The Ultra Pro Panel is an exposed fastener metal roofing system designed for strength and durability. Featuring a 36-inch width, **3/4"** high ribs, and added stiffeners, it resists rippling for a clean, long-lasting finish. It's a reliable choice for residential, agricultural, and light commercial applications.

Features

- .75" Profile Height
- Through-Fastened System
- Board & Batten Look
- Industry Leading Packaging
- Next Gen AZM® Rust Resistance

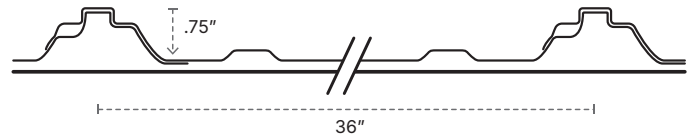

Product Options

- Gauges: 26 / 28
- Panel Width: 36"
- Minimum Length: 36"
- Minimum Slope: 3 / 12
- Material: Steel or Aluminum

Warranties

- Included**
 - 40 Year Limited Lifetime
 - 10 Year Weather Tight Warranty

Platinum PBR

THROUGH-FASTENED ROOFING SYSTEM

Engineered for superior performance in commercial settings. This robust panel system not only delivers an aesthetically pleasing board and batten style but is also designed to withstand the rigors of commercial environments. Its enhanced structural integrity makes it ideal for areas with heavier snow loads, ensuring durability and long-term resilience.

Features

- 1.25" Profile Height
- Through-Fastened System for both Roofing & Siding
- Thicker Steel Reduces the Appearance of Oil Canning
- Greater Snow & Wind Yields, and Hail Resistance
- Highly Resistant to UV Rays, Acid Rain, Salt Spray, and Abrasion
- 50,000 PSI Minimum Yield

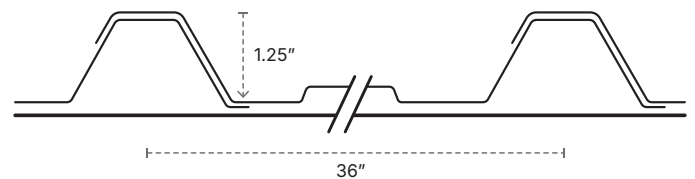

Product Options

- Gauges: 24 / 26
- Panel Width: 36"
- Minimum Length: 36"
- Minimum Slope: 1 / 12 (on approved applications)
- Material: Steel or Aluminum

Warranties

- Included**
 - 40 Year Limited Lifetime
 - 10 Year Weather Tight Warranty
